

The Technology Forum

Innovations and latest news in robotic surgery

**Wednesday, 14
September
16:30 - 18:00**

Location: Amber 05

Chairs: G. Giusti, Basiglio (IT)
A. Mottrie, Aalst (BE)

16:45 - 16:50

Introduction

G. Giusti, Basiglio (IT)

16:50 - 17:05

What is the future of robotics in urology?

V. Patel, Celebration (US)

17:05 - 17:18

Building on 20 years of innovation

C. Schlosser, Aubonne (CH)

17:18 - 17:31

Next generation robotic surgery system: Restoring haptics and reducing costs

M. Nathan, Aubonne (CH)

17:31 - 17:44

Lecture 4

17:44 - 17:54

Avatera - Robot assisted surgery - The German perspective

E. Liatsikos, Filothei, Athens (GR)
